

Coffee capsules

(Nespresso compatible, also known as "coffee pods").

These are the coffee capsules for ESPRESSO coffee and mostly extracted with portable Wacaco NS2 machine (at ~18 bar).

illy - Nespresso Compatible Capsule - FORTE roast coffee

Starbucks Dark Espresso Roast by Nespresso

sources: 2026-06 Amazon

2026-06-13 =4/5 soft taste.

2026-06-14 =3/5: extract process did not require much force (verified, that capsule's foil opened equally along the surface, should not be a channelling), drink is very liquid, crema disappeared very quickly,

Starbucks Italian Style Roast By Nespresso Dark Roast

sources: 2026-06 Amazon

2026-06-13: 4/5 solid 4: soft rich taste
